MAURITIUS

PEARL OF THE INDIAN OCEAN

The legendary island of Mauritius is home to an exceptional lifestyle. This global tourist destination is renowned for its many wonders, which will amaze you.

Its flag's colours perfectly reflect the country's history and authenticity:

- Red recalls the heroic struggle of the Mauritian people in March 1968 for independence and freedom.
- Blue stands for the breathtaking beauty of the lagoon and the Indian Ocean.
- Yellow evokes the island's newly acquired freedom and prosperity after its independence.
- Green symbolizes one of the country's main assets: agriculture, which colours the landscape all year round.

In short, the island of Mauritius is a jewel in the heart of the Indian Ocean, guaranteed to seduce you with its authentic charm.
